Smart Solutions for the Home

Our packages

We offer four carefully crafted furniture solutions to suit different needs and preferences. Each package is designed to provide the perfect combination of style, comfort, and functionality. Choose the package that best fits your requirement

Standard

Rental

Premium

Premium Lux

Standard package

The Standard package offers essential furniture for a cozy and functional living space. Perfect for a minimalist style, it includes all the necessary items for a comfortable home without extra frills. Ideal for studios, one-bedroom, or two-bedroom apartments.

Kitchen elements can be customized
in a variety of colors from standardized palettes

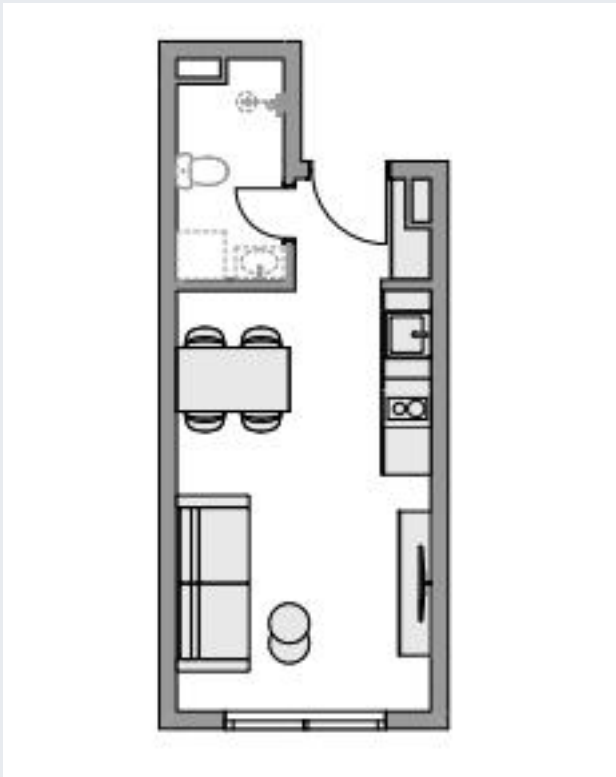

The Standard package offers simple, functional furniture. Perfect for minimalist living.

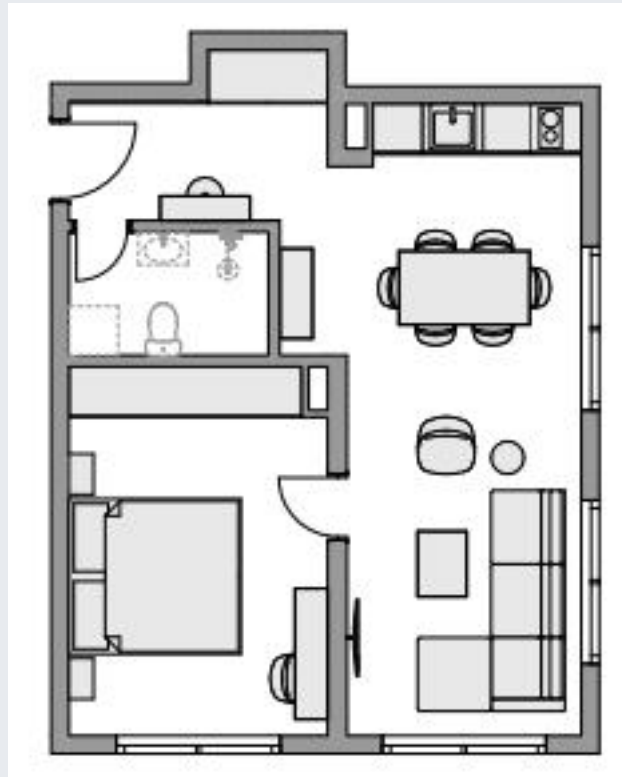

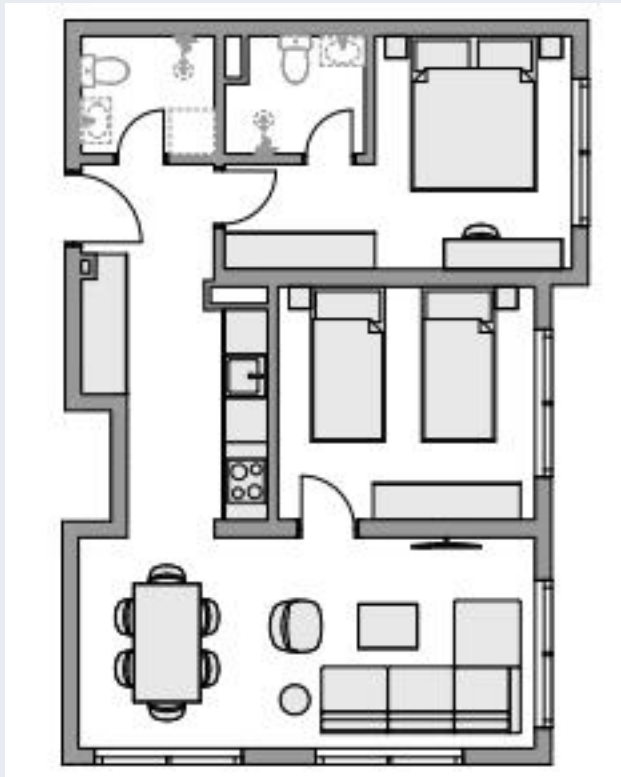

Standard package: Prices

Studio apartment
From 11.000 euro

One-bedroom apartment
From 14.000 euro

Two-bedroom apartment
From 17.000 euro

Project management is already included in the price. For a more accurate estimate tailored to your project, feel free to contact us — we'll be happy to provide all the details.

Rental package

The Rental package is designed for temporary living spaces with practical and durable furniture. It includes well-selected items that offer comfort and style, perfect for renters. Suitable for studios, one-bedroom, or two-bedroom apartments.

Kitchen elements can be customized
in a variety of colors from standardized palettes

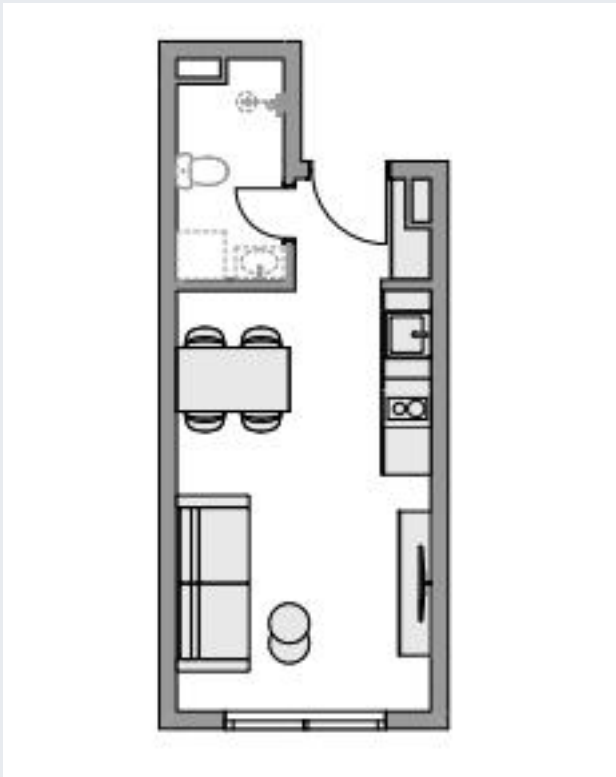

The Rental package offers durable and practical furniture, perfect for temporary living.

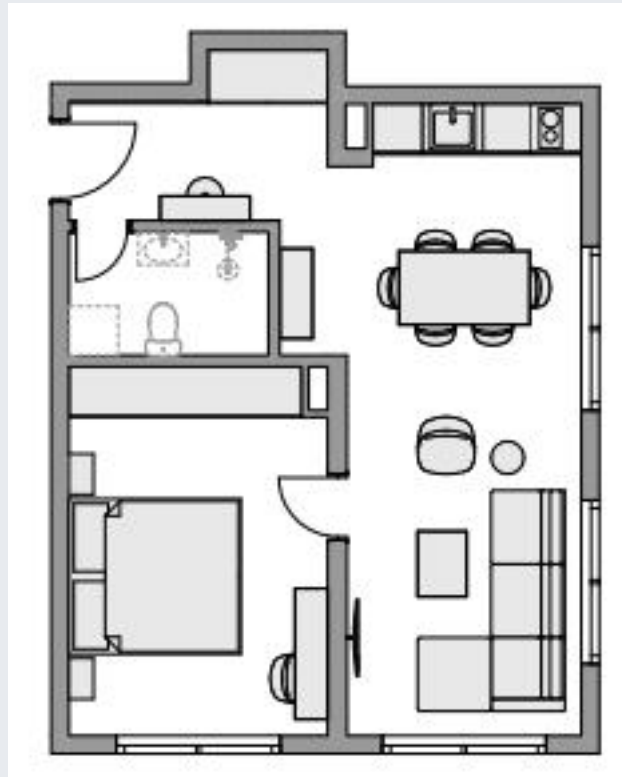

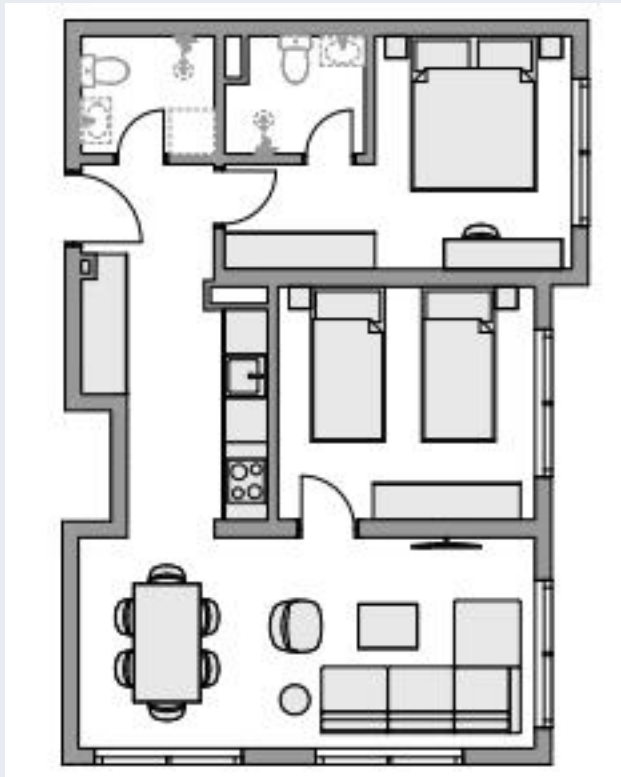

Rental package: Prices

Studio apartment
From 13.000 euro

One-bedroom apartment
From 18.000 euro

Two-bedroom apartment
From 23.000 euro

Project management is already included in the price. For a more accurate estimate tailored to your project, feel free to contact us — we'll be happy to provide all the details.

Premium package

The Premium package offers high-quality furniture for those who want to add luxury and sophistication to their living space. Includes stylish and modern pieces that create a comfortable and elegant home. Perfect for studios, one-bedroom, or two-bedroom apartments.

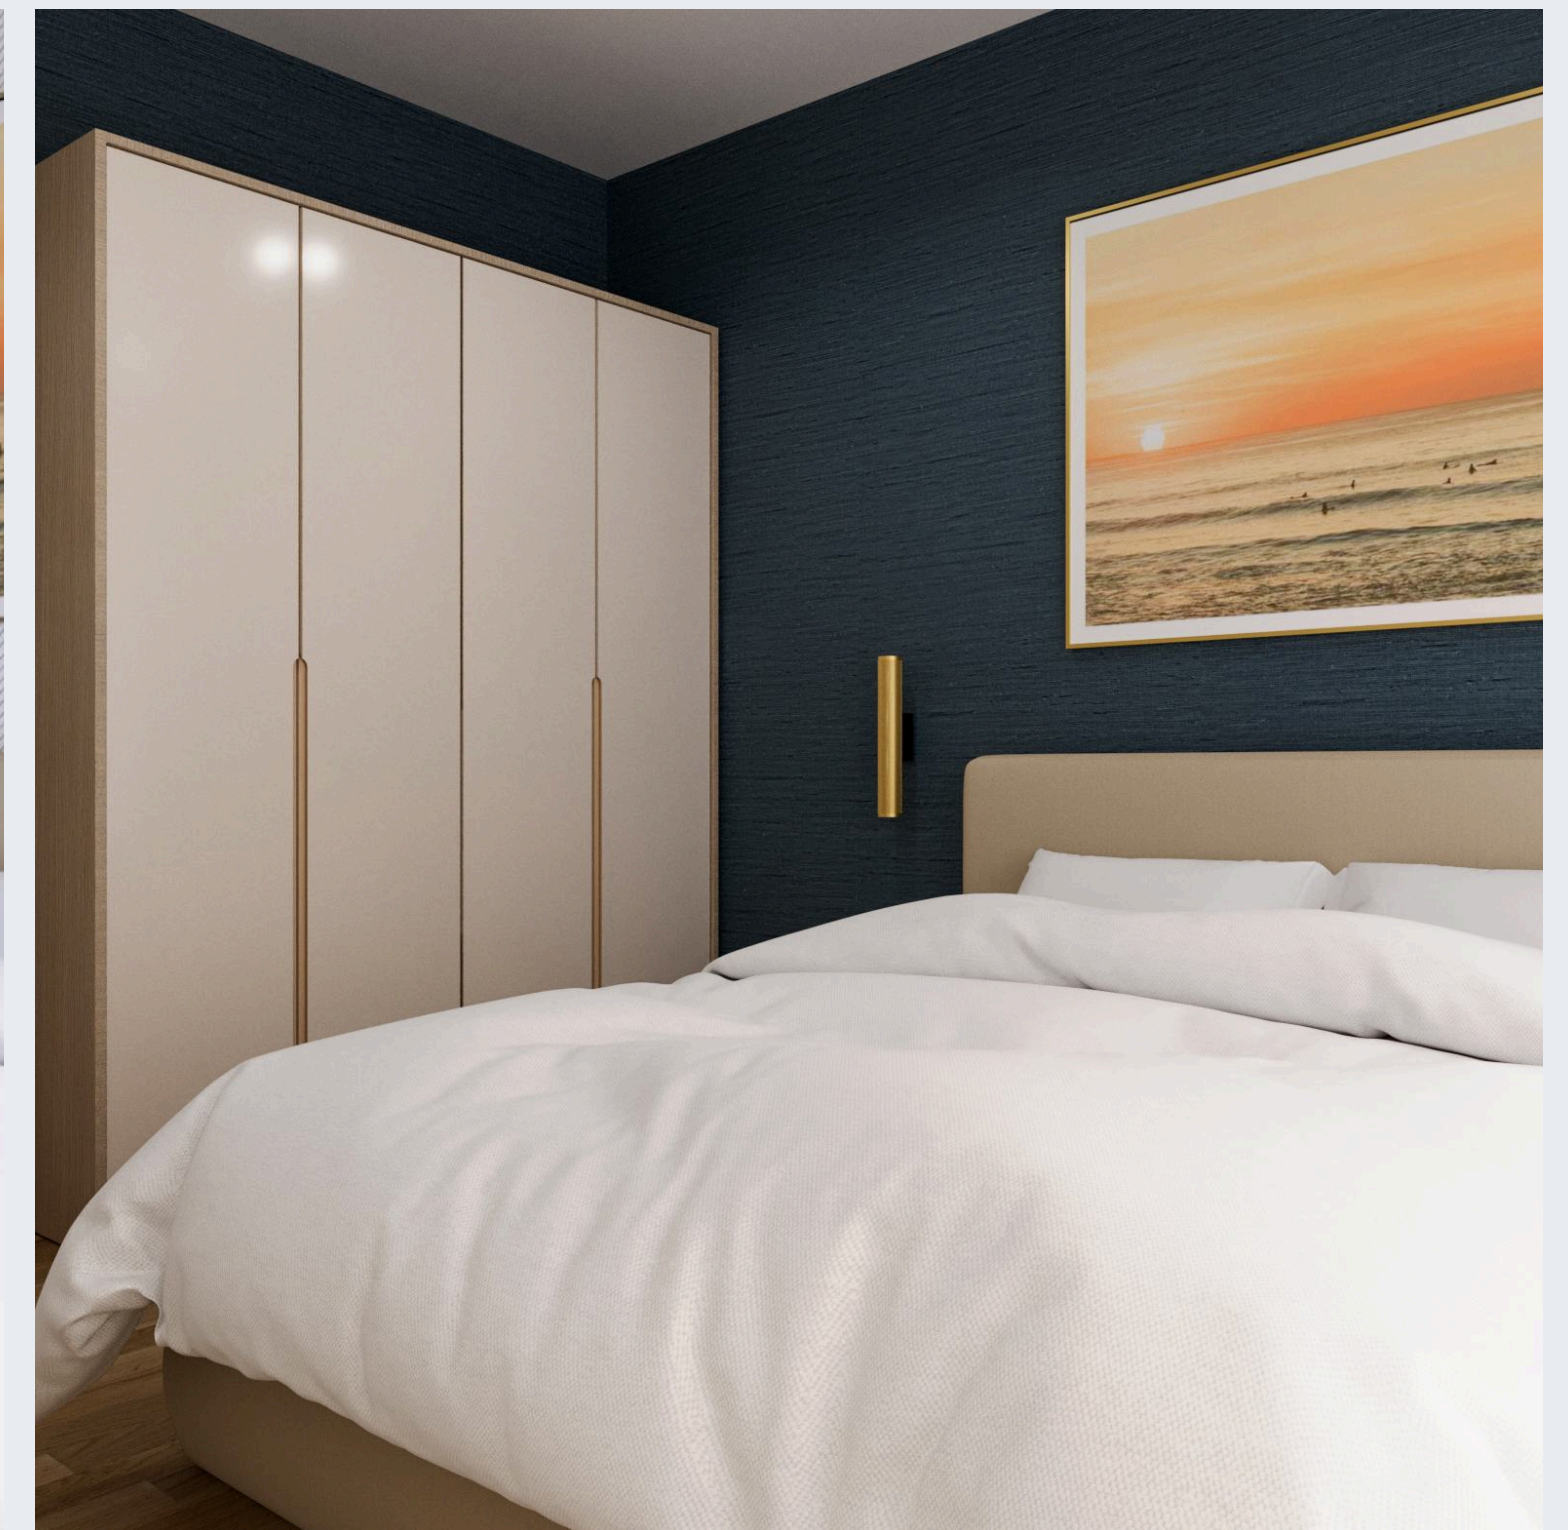

Kitchen elements can be customized
in a variety of colors from standardized palettes

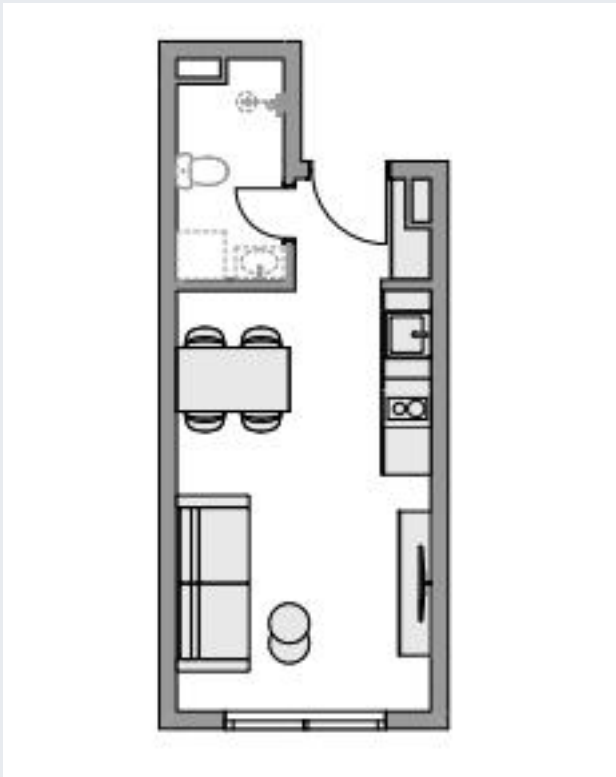

Wardrobe elements can be customized
in a variety of colors from standardized palettes
